Eat In or Take Away

"A real community focused cafe, warm and welcoming serving delicious food and drinks with a wonderful ethos"

We support people with a learning disability so your food and drinks may take a little longer, please bear with us, we promise it will be worth the wait!

Allergen information is available on request, please let our staff know if you have any allergies or dietary requirements.

We are working hard to be environmentally friendly and all our takeaway cups, lids, straws and food boxes are compostable. We also want to reduce food waste so please let us know if you don't want salad or other specific items with your menu choice.

Whilst we understand you may need to bring in baby food (just ask if you would like us to heat it up!), we would appreciate you ordering all other food and drinks for children from our Little People Menu .
