**Take Away or Eat In**

**Open 7 Days 9-4pm**

We are a community café creating an inclusive environment where adults with a learning disability can work, train and socialise whatever their ability, age or background.

We serve high quality food and drinks using locally produced seasonal ingredients. We often use fruit and vegetables grown by local people in the community.

We have lots of weekly specials to try and fantastic homemade cakes and scones made here at the café.

If you would like any further information about our training opportunities for adults with a learning disability, please get in touch on [cafe@outsidetheboxcafe.com](mailto:cafe@outsidetheboxcafe.com)
